

Use pureAir 500 to keep every room in your home or office fresh and clean!

pureAir 500 transforms your room into a continuously fresh and clean environment, removing airborne pollutants. Using advanced technologies including activated oxygen (ozone), ionization, and a HEPA carbon filter, pureAir 500 significantly reduces odors caused by bacteria, mold and mildew, as well as other allergens and odors, including those from pets, cooking, and smoking.

A small, sleek design makes it an elegant addition to any space.

Benefits of pureAir 500

 Neutralizes Tough Odors

 Reduces Allergens

 Ideal for up to 850ft*

 Easy to Setup, Easy to Use

 Quiet Operation

 Clean, Simple Design
